To Whom It May Concern:

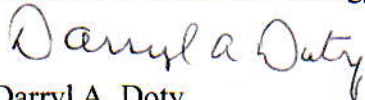

Industrial Process Technology, Inc. was awarded the Randall Community Water District Water Plant Addition near Platte, South Dakota.

IPT, Inc. awarded Ola Precast of Platte, South Dakota the contract to supply the Precast Materials for the project.

From approval and detail drawings, manufacturing and delivery, Ola Precast was very professional as well as on schedule. The workmanship was without doubt well above expectations.

IPT, Ola. Can recommend Ola Precast without hesitation and will use them on other projects in the future.

Sincerely
Industrial Process Technology, Inc.

Darryl A. Doty
VP/GM
